

# Custom Fireplace Screen Worksheet

## 3 Simple Steps!

**Step 1:** Print these instructions and diagram.

**Step 2:** Indicate the dimensions and information in the spaces provided.

**Step 3:** Fax or email a signed copy to the Condar Company at  
**828.894.2718** or **Beth@Condar.com**

### Ring Size

1/2" diameter rings are standard on all Condar Screens. Other sizes are available upon request. *Please indicate if you do not want rings.*

### Indicate Total Height Here

Condar recommends leaving a small gap between the bottom of the screen and the hearth floor. This will prevent the screen scraping against the hearth floor.

### Indicate Number of Panels:

Single Panel: \_\_\_\_\_

Two Panel: \_\_\_\_\_

### What color would you like?

Black: \_\_\_\_\_

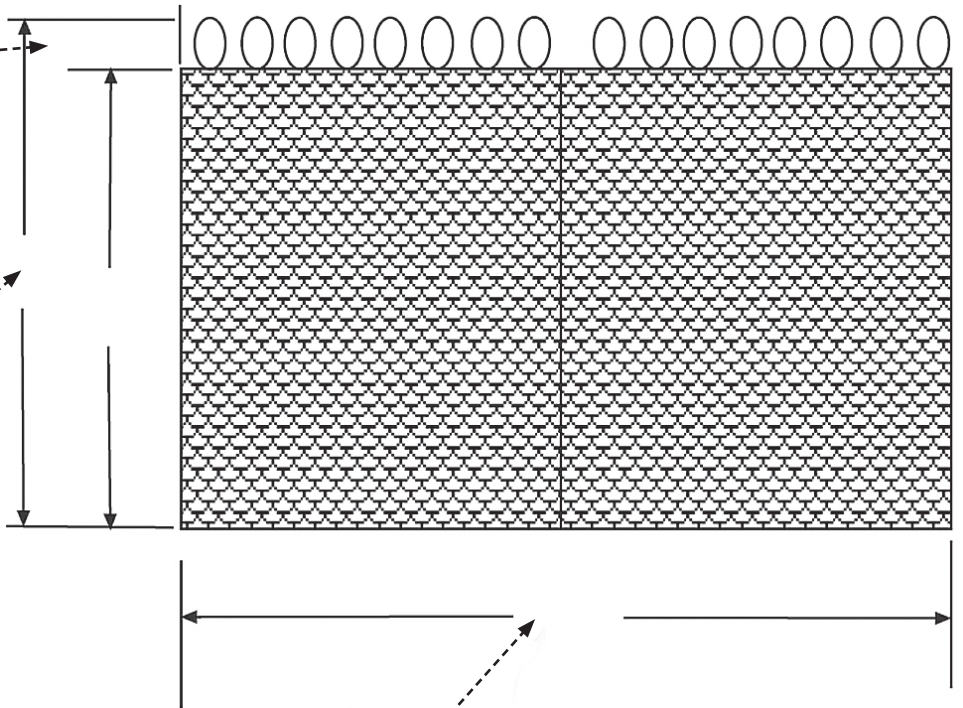

Copper: \_\_\_\_\_

Brass: \_\_\_\_\_

Stainless: \_\_\_\_\_

### Indicate Total Width Here

Condar recommends adding an extra 25% to the width of your fireplace opening to ensure desired draping.

**Condar custom fireplace screens are nonrefundable.  
Please allow three weeks for delivery.**
